

Topics: Introduction and Login; View Herd and Tools; and Search Tools

INTRODUCTION AND LOGIN

- Go to www.NALF.org
- Click on the Member Site or Animal Search tabs to access the NALF-DigitalBeef platform
- The NALF-DigitalBeef platform home page includes:
 - Search Tools: Ranch Search, EPD Search, and Animal Search
 - Member Login located in the upper left hand corner
- Login to your individual member site
 - User name is your NALF member number starting with the letter; N in most cases, C in others
 - Password is the same case sensitive password as the previous member site.
 - Contact NALF at 303-220-1693 or limousin@nalf.org if you have forgotten your password.

VIEW HERD AND TOOLS

- Login to your Member Site to go to your home page on the NALF-DigitalBeef platform
- In the left-hand tool menu bar, click View to go to your herd information
 - Basic member information is on the right-hand side of the screen
 - Set or change your password in the center of the screen
 - Add or change your ranch logo on the left-hand of the screen
- Herd tab – Click on each sub-tab to view the animals in your herd, by different categories:
 - All – Comprehensive list of active animals
 - Quick sire list – Bulls you have added for easy registration of calves and breeding information
 - Bulls :: Breeding – Bulls in your inventory more than 720 days old or have breeding information entered
 - Bulls :: Yearling – Bulls between 450-720 days
 - Bulls :: Weaned – Bulls more than 250 days without yearling data recorded
 - Bulls :: Pre-Wean – Bulls less than 251 days without weaning data
 - Females :: Breeding – Cows or heifers more than 720 days or have breeding information entered
 - Females :: Yearling – Heifers between 420-720 days
 - Females :: Weaned – Heifers more than 250 days without yearling data recorded
 - Females :: Pre-Wean – Heifers less than 251 days without weaning data recorded
 - On Hold – Unregistered animals you have entered to provide performance data to the dam and/or sire
 - Recip – ET recipient and/or commercial cows
 - For Sale – Animals flagged for private treaty
 - Legacy – Historic view of all the animals you sold, culled or had die
- Account Information tabs – Click on each tab to view/update your member information
 - Map
 - Addresses
 - Phones
 - Contacts

Topics: Introduction and Login; View Herd and Tools; and Search Tools
