NORTH AMERICAN LIMOUSIN JUNIOR ASSOCIATION

6 Inverness Court East, Suite 260 • Englewood, CO 80112-5595 • 303-220-1963 • www.NALF.org • Limousin@NALF.org

Dear Juniors,

Spring and summer are finally here!! I hope you have all 'thawed out' from our winter freeze and are gearing up for the spring and summer show season.

First, I would like to sincerely thank Stowers Limousin for donating this year's

CornerPost heifer, all of the syndicate donors and those who purchased items at the Genetics on Ice auction. Without all of your generous donations, many of our junior activities would not be possible. Your continued support is truly appreciated!

Through my teacher education classes at college this semester, I have been constantly encouraged to attend diversity events on and off campus. To be honest, I was not excited about this task! But, this got me thinking, how many opportunities do we miss out on each day just because we simply don't want to go? Think about some of those experiences that your parents or whomever made you attend. I am referring to the ones that you really did not want to go to but were stuck going to anyways. Were they really that terrible in the end? My guess is not. So going forth into this new show season, take in all of the opportunities that you can! Whether it is something as simple as attending a field day or something larger such as participating in the satellite contests at junior national show, take all of the chances you can get!

Thank you again to all of the generous supporters of CornerPost and Genetics on Ice! I can't wait to see all of your smiling faces as we 'Escape to the Island' July 1-7 in Grand Island for junior national show!!

Take Care and God Bless!

Anna Johnson

Stock Show U

1. Sponsor and Eligibility

The North American Limousin Junior Association (NALJA) sponsors the regional and national junior shows, and they are open to all NALJA members. Members must be 5 as of January 1, 2017. No one who was 22 years or older on Jan. 1, 2017, is eligible to show. NALJA members must be in good standing to enter the regional and national junior shows. That is, they must be current with their junior activity fees (NALJA dues), and their North American Limousin Foundation (NALF) accounts cannot be more than 120 days past due. Anyone who wishes to participate in a regional or national Limousin junior show must be a NALJA member when submitting entries.

2. Animal Qualifications

A) Females: Females with 75 percent or greater Limousin blood and orange NALF registration papers born from Sept. 1, 2015, to January 31, 2017 will be eligible to compete in the Limousin female show. Females registered as Lim-Flex® having purple NALF registration papers are eligible for the Lim-Flex Female show.

B) Bulls: All bulls entered must be bred-and-owned by the junior exhibitor. Bulls with 75 percent or greater Limousin blood and orange NALF registration certificates born from Jan. 1, 2016 to January 31, 2017, will be eligible to compete in the bred and-owned Limousin bull show. Bulls registered as Lim-Flex having purple NALF registration born from Jan. 1, 2016 to January 31, 2017, will be eligible to compete in the bred-and-owned Lim-Flex bull show.

C) Cow-Calf Pairs: A cow born on or before Aug. 31, 2015, with a natural calf at side is eligible to show in the Cow-Calf Division. The cow's NALF percent Limousin will determine in which show the pair is eligible to compete. Cows with 75 percent or greater Limousin blood and orange registration papers will show in the Limousin cow-calf show. Cows registered as Lim-Flex (that is, having purple registration papers) will show in the Lim-Flex cow/calf show.

Calves on the side of cows must be born after November 1, 2016. Calves are eligible to show in the heifer show if they are born prior to January 31, 2017. Bulls must be bred and owned to be eligible to show as individuals.

D) Steers: All steers that qualify for registration with the North American Limousin Foundation as a percentage, purebred or Lim-Flex® will be eligible for

the steer show. All percentages will show together and be split into the progress and prospect divisions based on weight. Exhibitors must present registration certificates at check-in. Show officials will check the steers' tattoos to ensure they are legible and match the registration papers. Exhibitors may not enter a bull in the bull show then castrate him for the steer show.

The term "animal" used throughout these rules refers to bulls, steers and females alike.

It is the exhibitors' responsibility to ensure their animals qualify for the shows they enter. NALJA will not give refunds for unqualified animals entered in any show.

3. Entries

Junior exhibitors must register their animals in their own names, with certificates showing an ownership date on or before May 15, 2017. Exhibitors must submit entries to the NALF office on official entry forms, bearing official postmarks of or completed online no later than May 15, 2017, to qualify for the \$80 per head entry fee. Entries postmarked or entered online after May 15, 2017, are subject to an entry fee of \$125 per head. Entry fees include the price of bedding. NALJA will accept late entries ONLY through the online entry system on or before June 1, 2017. NALJA will not accept any entries postmarked after that date.

NALJA will not refund any entry fees. Exhibitors must pay their junior activity fees (NALJA dues) before they may enter the national or regional Limousin junior shows. Any and all entries or changes must be made in writing before the late entry deadline for all entries and contests.

To ensure NALF can process all registrations and transfers in time for animals to enter the NJLSC, juniors should submit registration and transfer requests to the NALF office no later than May 5, 2017. That is particularly important for transfers. A letter should accompany those applications for registration or transfer stating they are for the NJLSC. NALF is not responsible for misinformation on any entries. It is the exhibitor's responsibility to complete the entry form correctly.

4. Possession

Exhibitors must maintain full possession and personally care for and assist in preparation of their show entries from the ownership deadline (May 15, 2017) through the NJLSC (7 p.m., Friday, July 7, 2017).

Any female transferred – within one year of the show in which the animal competes – from the junior exhibitor's name to the breeder or owner who transferred the animal to the junior exhibitor before the show will relinquish any accumulated and further Medal of Excellence (MOE) points.

5. Entry Limit

There is no limit on how many animals an exhibitor may enter and show.

6. Classes/Divisions

Show officials will determine classes after check-in. They will make every effort to ensure no class contains more than 15 head or has an age spread of more than 60 days. All classes will line up according to age from youngest to oldest in the show arena.

Divisions in the owned Limousin and Lim-Flex female shows will be broken as follows:

Division I – November 1, 2016 – January 31, 2017

Division II – September 1 – October 31, 2016

Division III – May 1 – August 31, 2016

Division IV – March 1 – April 30, 2016

Division V – January 1 – February 29, 2016

Division VI – September 1 – December 31, 2015

Bred and Owned Female and Bred and Owned Bull shows will have three divisions that will be determined once animals are checked in. There are no divisions in the cow/calf show.

Steer classes and divisions will be split by weight. The steer show will include prospect and progress divisions. Prospect steers are those weighing less than 900 pounds at check-in, while steers weighing more than 900 pounds will be in the progress division. All Progress Steers will be automatically entered into the Virtual Carcass Contest; entrants may opt out of the contest. NALJA will release exhibitors showing only steers immediately following the steer show.

At the NJLSC, there will be a class for the best pair of females owned and exhibited by one junior member. Both females must show in the regular show. In the NJLSC "best state group" class, each state junior association will select three females (each exhibited by a different junior) to represent it; and that class will count toward sweepstakes points.

NJLSC judges will be selecting the Top 5 Females in both the Owned Lim-Flex Female Show and the Owned Limousin Female Show.

7. Bred and Owned

To show in the bred and owned show, the animal's tattoo must include the junior exhibitor's herd prefix (i.e. the junior must be the animal's first owner); and the animal's dam must have been registered to the junior exhibitor at the time the dam was bred to produce the animal. Embryo transfer (ET) calves are eligible for the bred and owned show; however, the donor female must have been registered to the junior exhibitor at the time she was flushed to produce the animal.

The family's prefix in the animal's tattoo or family ownership of the dam at breeding does not qualify for the bred and owned show. No animals from partnership or lease agreement cows qualify. NALJA automatically enters eligible animals from the owned female show in the bred and owned show.

Juniors may sell no more than 50 percent ownership of a bred and owned bull and still be eligible to compete with him in the bred-and-owned bull show. The exhibitor must keep full possession of that bull until the regional and national shows conclude. All other bred and owned rules apply.

8. Fitting

To maintain a high degree of confidence in Limousin junior shows, NALJA reserves the right to disqualify any animal for unethical fitting, which shall include the following:

- Any use of paints, colored show foam, graphite, colored powders or other substances that may be subject to disqualification. All animals are subject to a "white towel" test from check-in to release. NALJA reserves the right to collect hair samples from any animal at any show.
- The addition of any hair or hairlike substances, including false tail heads and false polls. (NALJA allows false tail switches.)
- The cutting, tearing or gluing of the hide or underneath the hide or removal of tissue in an attempt to alter the animal's shape.
- The injection of any gas, solid or liquid under the hide to alter the animal's conformation.
- Any attempts to disrupt or change the animal's normal dental development.
- Any products, such as steroids or growth stimulants, administered internally or externally to alter the animal's conformation.
- Any stomach pumping without authorization from a licensed veterinarian.

- Protests against exhibitors, individual animals or fitting violations must be submitted in writing, signed by five (5) active members of the NALF and presented to the show superintendent within 12 hours of the show's completion.

9. Substitute Showmen

All junior exhibitors are required to show their own animals. In the case of sickness or injury after arrival at the show, exhibitors (who must be present at the show) may select another junior exhibitor to show their animals. The NALF director of junior activities and the president of the NALJA Board of Directors must approve substitute showmen before they enter the showing.

Exhibitors with more than one animal in a class may have another NALJA member(s) show the additional animal(s) without approval.

10. Check-In

All cattle entered in the NJLSC must be in the stalls by 8 a.m., Sunday, July 2, 2017. **Show officials will check tattoos and health papers at that time in the designated check-in area. They will disqualify animals with illegible or incorrect tattoos.** Once an animal has been through check-in and disqualified due to an illegible or a wrong tattoo, that animal may not go through check-in again with a new or fresh tattoo. Show officials will weigh steers and bulls and measure scrotal circumferences at check-in. Have your animal's papers stamped with a "tattoo verified" stamp at your regional show to speed up in the check-in process.

11. Stalling

Show officials will assign stalls to exhibitors at the NJLSC according to their current addresses on file at NALF. Animals entered solely in the All-American Futurity must stall with the open cattle. Failure to stall in assigned spaces from 8 a.m. Sunday, July 2 through 2 p.m. Friday, July 7, 2017, will result in a forfeiture of all premiums and show awards and elimination from the state herdsman'ship competition.

Exhibitors must obtain permission for early releases or stalling deviations by submitting written requests and providing proof of need to the NALF office prior to the late entry deadline.

NALJA only allows the stall cards provided at the show in the junior aisles. NALJA prohibits farm signs and aisle fans.

12. Entry Numbers

All exhibitors must clearly display their entry numbers while they are in the makeup area and showing.

13. Disposition

To ensure safety, animals with unruly dispositions will not show. The judge or show officials may dismiss exhibitors with unruly animals from the show. NALJA will enforce the rule that after three incidents where the exhibitor loses control of an animal, it will automatically be excused from the ring.

14. Health Requirements

Health certificates must comply with local rules and regulations for cattle. No animals with hereditary un-soundness may show.

15. Misrepresentation.

Any person found misrepresenting the NALJA rules and regulations will forfeit all premiums and show awards and may be subject to disqualification.

16. Substitute Animals

NALJA does not allow substitutions for any animals

17. Agreement of Responsibility and Liability

Participants must maintain full control, custody, care and feeding of the animals and personal property that they bring on or about the premises of the national and regional junior Limousin shows. Participants clearly understand and agree that NALJA – along with NALF and its officials, officers, directors, employees and agents – shall not be responsible for any damage, loss or injury to any person or property that is caused directly or indirectly for any reason at those shows. The exhibitors, owners, their agents and representatives agree to indemnify NALJA and NALF and hold the organizations harmless for all damages, injuries, losses, expenses or liabilities they might incur at those shows, including any that may result from NALJA or NALF enforcing its rules and regulations. By entering the national or regional junior Limousin shows, the participants and their parents or guardians agree to the terms described in this section and agree to comply with all the rules and regulations governing those shows.

4. If a contestant buzzes in while the quizmaster is reading, the quizmaster stops immediately, and the contestant must begin an answer within five seconds. (Contestants should remember some toss-up questions will have more than one part so buzzing in early can hurt the team's score).
5. If the first responding contestant's answer is correct, that team receives 10 points and gets a chance at a bonus question. On the bonus question, the teammates may confer for 10 second before the team captain gives the quizmaster their answer. Each bonus questions is worth 10 points.
6. If the first responding contestant's answer is incorrect, the quizmaster will repeat the toss-up question for the other team. An individual on the other team must buzz in before answering the question. The other team cannot confer on the toss-up question.
7. If neither team answers a toss- up question correctly, the quizmaster goes to the next toss-up question.
8. After the 10th toss-up question, a team will get a 25 point bonus if all four team members answered a question correctly during that round

Sales Talk

A) Time: Wednesday, July 5, 3 p.m.

B) Divisions: Novice, Junior, Intermediate and Senior as described under Individual Sweepstakes Points.

2. Contestants should have in mind how their animals rank in relation to the buyer's situation. They then will meet the "buyer" (the judge) individually and present their sales talks about how their animals fit the buyer's given situation. Contestants also should be prepared to answer the buyer's questions about their animals. Each contestant gets five minutes to talk to the buyer.
3. The sales talk should be an informal discussion between the contestant and the buyer (judge). Contestants should be prepared to discuss performance information and visually appraised traits as they relate to the buyer's situation. No formal preparation is necessary.
4. Seniors will be given a scenario to use in the contest. The scenario will be sent after the June 1 entry deadline.

2. Exhibitors must show their own animals who are entered in the show.
3. First round heats will be sorted by age and posted on Wednesday morning. Secondary heats may be used at the judge's discretion. Ten finalists will compete for champion showman in each division.

by intermediate, junior and novice. The top ten senior finalists will return 30 minutes after the conclusion of the novice, junior and intermediate divisions.

Seniors will have 30 minutes to fit their own animals, which will be wet down before the contest. After fitting the animals, the contestants will show them.

5. Individuals who have won a division are no longer eligible to compete in that division. Past novice, junior and intermediate showmanship winners must advance to an older division.

6. Exhibitors must wear the official show shirt and official showmanship number during the contest.

7. Any substitution of deviation will be at the discretion of the NALJA board and its advisors.

State Display Board

5. The state display contest will count toward state sweepstakes points.

State Herdsmanship

A) Time: The herdsman ship judging begins Monday, July 3, at 8 a.m. and continues through noon Friday, July 7.

B) Divisions: After check-in, NALJA will assign the states to one of two categories (large or small) based on the number of cattle each state checks in.

C) Rules:

1. States will be judged throughout the aforementioned period.
2. Judging for state herdsman ship will be based on the following criteria:
 - a) General neatness and tidiness of each exhibitor's area within each state's area.
 - b) How well the state maintains its alley.
 - c) How well all exhibitors from a state maintain their cattle.
 - d) Creativity of aisle theme and décor.
3. Any state that has a decoration display beyond standard cattle equipment occupying stall or aisle space will be disqualified.

3. NALJA will allow substitutions among teams members as follows.
 - a) A junior team member may substitute for an intermediate or senior team member
 - b) An intermediate team member may substitute for a senior team member.

5. Each team must provide the following.
 - a) Its own animal for fitting. A heifer, bull, steer or cow may be used.
 - b) All supplies needed, including a chute, blower, clippers, adhesive, etc.
6. A contest official will spray each animal with water before the contest begins.
7. Each team will get 20 minutes to fit its animal. If the number of entries warrants it, there may be two heats so the judges have enough time to evaluate all of the teams thoroughly and fairly. In the case, they will select one overall winner from both heats.
8. When time has expired, one team member will parade the animal before the judges.
9. After the judging, the judges will make comments and announce the winner.

Heartland Regional Show

The Heartland Board of Directors voted NOT to hold a Regional Show in 2017 since we are hosting the 2017 National Junior Limousin Show and Congress in Grand Island, Nebraska July 1-7. We raise money from our Heartland members and depend on them to volunteer their service to put on the Regional Show. We would be asking the same people to help sponsor and work at the national show.

We encourage juniors, their families, and other Limousin enthusiasts to attend the "Escape to Grand Island" in July. It will be a great event!

Nebraska Health Regulations

Official ID required (i.e. metal tag, registration tattoo with papers). Certificate of Veterinary Inspection (CVI) issued by an accredited veterinarian within 30 days prior to entry.
