

NWSS Construction Update

- **Hill Exhibitors**
 - Check In only at Gate 7
 - No tie outs in Yard Pens (due to availability)
 - Tie out locations same as last year
- **Pen & Carload Exhibitors**
 - Pen Location
 - As of right now we're still in our old pens- if this changes I'll update you
 - Night Pens
 - Most likely night pens will be in the new pens
 - Hill cattle will not be allowed in pens- just Pen & Carload exhibitors (due to availability)
 - Load In
 - Load In spots will remain the same
 - There is an additional North Load In location
 - Check in at Chute Office (same as last year) and they'll direct you which load in to go to
 - Wash Racks
 - There are 3 wash racks available in the new pen location
 - Have tempered water
 - There will be NO washing allowed in new pens
 - Washing will still be allowed in old pens
 - Golf Carts
 - NWSS volunteers will be running golf carts on a constant loop in yards to take public and exhibitors to pens
 - Breed Directory
 - New this year is a breed directory listing exhibitors and their pen numbers
 - Will be available online and in paper form once stalling is done
