

Plans for the Heartland Regional Show, Eastern Regional Show, Western Regional Show and National Junior Limousin Show are continuing as planned. However, in light of COVID-19, we wanted to send an update. We are moving forward with planning our regional shows and junior nationals at this point in time. If conditions force us to change or cancel events, we will communicate that if the situation dictates as such.

The Heartland Regional Show will be moving to Council Bluffs, Iowa June 5-6. We will be updating the website with further details.

The Eastern Regional Show/Southeast Summer Classic and Western Regional Show/Western Limousin Exposition have not experienced any schedule changes.

We are continuing to plan for our summer family reunion in West Monroe, Louisiana June 27-July 3. Check out the NALF website under the juniors tab for current information. The NALJA board is working hard on obtaining show sponsorships so if you're interested contact Troy Gulotta, Katie Campbell or a NALJA board member. The summer show rules are posted under the NALJA News.
